**Subject: OHDEL – Pre-qualification for procurement**

Dear Mouyadine,

Reference is made to OHDEL's submission for procurement pre-qualification. We also refer to several email exchanges on the matter.

In the interest of formalizing our email correspondence, UNHCR would like to thank you for the cooperation provided during the evaluation process and appreciates the effort your agency made to be compliant with UNHCR Partners Procurement Guidelines.

After completing the evaluation, it was determined that OHDEL's procurement policies and procedures meet the requirements for procurement pre-qualification.

I herewith confirm that UNHCR grants OHDEL **Pre-qualified for Procurement status with national scope** to carry out procurement activities for UNHCR funded programs. This is valid from **13 January 2022 to 31 December 2026** when another evaluation shall be conducted if requested.

Yours Sincerely,

Mr. Eskalem Bogale

Chief of Section, Field Procurement
